Forecast for Wednesday 09 Oct 2024

Weather: Remaining cloudy through the day with occasional rain, this mostly light in nature. Some fleeting brightness is possible in the south around Coniston and Eskdale. Becoming dry through the evening. Cold and very windy on high slopes.

Chance of cloud-free hill tops above 800m: 20%, best chance in the far south, becoming 80% during the evening.

Low cloud and visibility: Areas of low cloud and fog above 500m but higher at times over southern fells. The cloud will slowly lift during the late afternoon and evening. Away from low cloud, generally rather hazy, occasionally down to a few kilometres in rain.
